

ASTR 5460, Fall 2013: Homework 4

Michael S. Brotherton, Instructor

Directions: This problem set includes material through chapter 5. It's okay to work together, but do your write-ups independently. Due : Thursday, Oct. 10th.

Problems 1-4: Do problems 4.1, 4.3, 5.2, and 5.4 from Ryden.

Continue to work on the Baldwin Effect project as needed.
